CONTRIBUTING AUTHORS

Dr. Oguzhan Bayrak is a professor at the University of Texas at Austin. Bayrak received the University of Texas System Board of Regents’ outstanding teaching award in 2012 and was inducted into the university’s Academy of Distinguished Teachers in 2014.

Dr. Benjamin A. Graybeal is the team leader for bridge and foundation engineering within the U.S. Federal Highway Administration’s Office of Infrastructure Research. He also leads the structural concrete research program.

Frederick Gottemoeller is an engineer and architect who specializes in the aesthetic aspects of bridges and highways. He is the author of Bridgescape, a reference book on aesthetics, and was deputy administrator of the Maryland State Highway Administration.

Dr. Zachary B. Haber is the lead concrete bridge research engineer for Genex Systems LLC. He supports the structural concrete research program at the U.S. Federal Highway Administration’s Turner-Fairbank Highway Research Center.

Michael Peelish, Esq., is a senior-level attorney and mining engineer at the Law Office of Adele L. Abrams PC, with more than 26 years of working in the mining industry in both metal/nonmetal and coal and with OSHA-related facilities.

Dr. Igor De la Varga is a concrete materials research engineer for SES Group & Associates LLC. He supports the structural concrete research program at the U.S. Federal Highway Administration’s Turner-Fairbank Highway Research Center.

LETTER TO THE EDITOR

Dear Editor,

ASPIRE is really good. I think I have every single e-version on my laptop. I am constantly telling our folks, “Let’s be proud of our accomplishments, big and small, and get our finished work products presented/published.”

Dan Shiosaka

Dr. Oguzhan Bayrak

Dr. Benjamin A. Graybeal

Frederick Gottemoeller

Dr. Zachary B. Haber

Michael Peelish, Esq.

Dr. Igor De la Varga

On page 12 of the Winter 2017 issue of ASPIRE, we incorrectly listed the pier replacement design engineer for the Long Key Bridge Pier Replacement. The correct firm is URS (AECOM). We regret this error.
