

BUYERS GUIDE

The companies listed on these pages have supported *ASPIRE*[™] magazine during 2008. Each produces a high quality product or service targeted to the bridge industry and is worthy of your consideration. In choosing *ASPIRE* as the way to communicate with you, they show enormous confidence in us.

These companies shared in the significant success achieved by *ASPIRE*. Advertisers put their money where their mouths are, and they can rightfully be proud of the expanded size of this issue and of our ambitious plans for 2009. They enable us to move ahead with confidence to better serve your needs.

Just as important, the advertisers create valuable messages for our readers. Their announcements and product information supplement our own presentations to keep readers current with new ideas.

Whenever an opportunity arises, please contact an *ASPIRE* advertiser, ask them for more information, and thank them for their investment in the bridge community. For an easy way to make a contact, go to www.aspirebridge.org and select "Advertisers." Clicking on any listing will take you to their home page.

We appreciate their support, and yours, for making *ASPIRE* the most read and talked about bridge magazine!

	Description	Address/Phone	Web
	ADAPT-ABI is a simple, practical, and powerful software for the design of segmentally constructed bridges - precast/CIP pre-/post-tensioned - including construction sequencing and many other customized features.	1733 Woodside Rd., Ste 220 Redwood City, CA 94061 650.306.2400	www.adaptsoft.com
	AVAR's primary area of work is in the western US, including Alaska and Hawaii. For post tensioning of precast and cast-in-place, they work nationwide.	504-F Vandell Way Campbell, CA 95008 408.370.2100	www.avarconstruction.com
